International Charitable Organisation “Information Centre “Green Dossier”

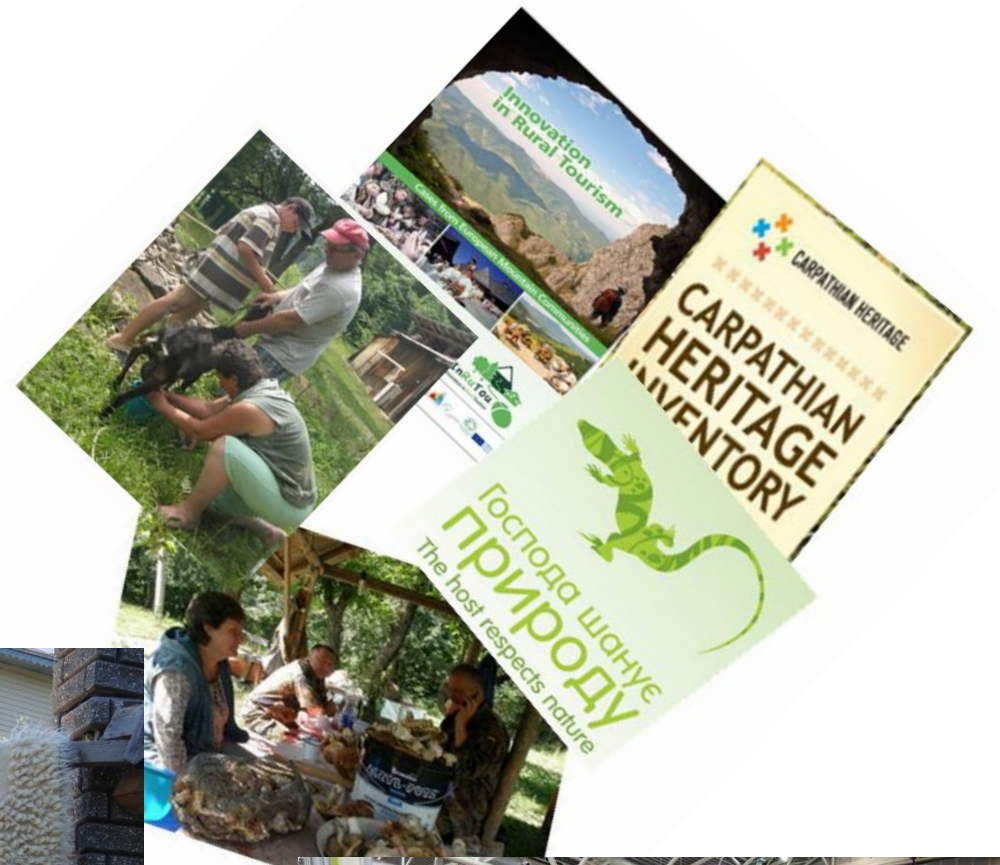

(operates since September 1994, works for the implementation of the Carpathian Convention over 20 years)

Mission

- to engage as many people as possible in addressing problems of environment and SD
- to encourage public participation in decision making on these matters at different levels

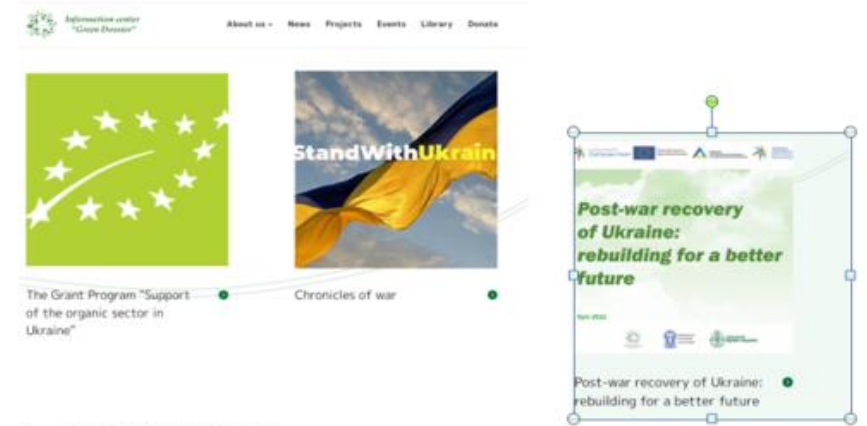

Focus

- Integrating SD principles into national policies; public participation; sustainable tourism; preservation of cultural heritage; sustainable agriculture and local food; education for SD.

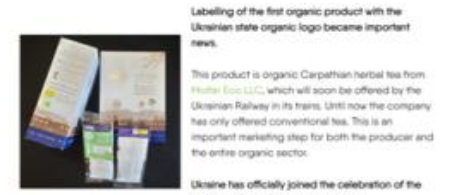

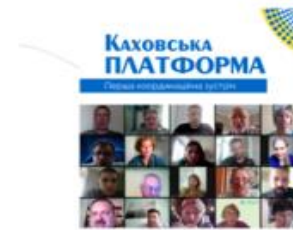

Since February 24, 2022:

- Fight against russian invaders, strengthening resilience of Ukrainians
- Producing “Chronicles of war”.
- Main topics: [Environment](#), [Food Security](#), [Lessons of the war](#).
- Managing Grant Program “Support of the organic sector in Ukraine” (<https://www.dossier.org.ua/en/projects/organic-sector-support/>)
- **Green recovery of Ukraine**

То що робити з Каховською ГЕС?

Green recovery of Ukraine

- *Post war recovery of Ukraine should be green*
- *Building back better*
- *Using lessons of the war*
- *Looking for innovative, nature based solutions*
- *Piloting in regions and communities*
