

TAKING  
**COOPERATION**  
FORWARD

COP5, 10.10. 2017

**3Lynx**

3Lynx | Nature Conservation Agency of the Czech Republic | RNDr. Martin Strnad

## Population based (transnational) monitoring, management and stakeholder involvement for the Eurasian Lynx affecting 3 Lynx Populations in the Central Europe Area

[interreg-central.eu/3lynx](http://interreg-central.eu/3lynx)

## Main goal:

Integration of lynx monitoring, conservation and management into a common strategy on transnational level.

## Activities:

- experience, data and tool sharing among 5 states
- implementing a harmonised Lynx monitoring for 3 populations
- involving of key stakeholders (hunters, foresters)
- long-term viability analysis of BBA (Bohemian-Bavarian-Austrian) population
- memorandum of understanding about Lynx protection in BBA population

## Lead Partner

- Ministry of the Environment of the Czech Republic

## Project Partners

### Czech Republic

- Nature Conservation Agency of the Czech Republic
- ALKA Wildlife o.p.s.
- Šumava National Park

### Austria

- Research Institute of Wildlife Ecology, University of Veterinary Medicine, Vienna
- Green Heart of Europe
- Government of Upper Austria

### Germany

- Bavarian Environmental Agency
