Programme of Work 2018 – 2020 of the Carpathian Convention

- ***CCIC shall consider the draft Programme of Work 2018-2020***

Cooperation with other initiatives

1) Memorandum of Cooperation with CIC

Memorandum of Cooperation between the International Council for Game and Wildlife and the Secretariat of the Carpathian Convention,

signed during the Conference on Large Carnivore's Protection in the Carpathians, 20 October 2016, Rožnov pod Radhoštěm, Czech Republic

The main objective of the MoC is to enhance the capacity of countries in the Carpathian region in conserving and sustainably managing wildlife resources, thereby contributing to biodiversity conservation, food safety and nutrition (food security), wildlife, livestock, human health, and social and economic development

Cooperation with other initiatives

2) Memorandum of Cooperation with EUSDR

- MoC with EUSDR PA1b “Mobility | Rail-Road-Air”, June 2016
- Moc with EUSDR PA04 “Water Quality”, August 2016
- MoC with EUSDR PA02 “Energy”, November 2016

Carpathian Convention is closely cooperating with the EU Directorate-General for Regional and Urban Policy (DG Regio) in mainstreaming and profiling mountains at EU level, both in the macro-regional strategies and through new possible initiatives, whose final aim will be the possibility to develop a "Mountain Agenda" for Europe.

The Memoranda will facilitate the coordination with the specific PAs and possible support to Carpathian related activities.

Cooperation with other initiatives

3) Cooperation with European Environment Agency

- Joint Work Plan 2016-2017 between EEA and the Carpathian Convention

Under the Joint Work Plan 2016-2017, EEA and the Carpathian Convention are implementing the following points:

- Finalisation of the Joint Carpathian Convention and European Topic Centre on Urban, Land and Soil Systems (ETC/ULS) report on data and indicators relevant for sustainable forest management and for the elaboration of an inventory on the Carpathian Virgin Forests
- Development of a Carpathian webpage under Climate-ADAPT Platform
- Organization of a joint EEA – Carpathian Convention Working Group on Sustainable Forest Management
- Cooperation on the development of a sub-regional report on adaptation policies in the Carpathian Region, with the support of and in cooperation with the Carpathian Convention Working Group on Adaptation to Climate Change

European Environment Agency

Cooperation with other initiatives

- *CCIC may consider and welcome progress in cooperation with other initiatives and advise on planning of cooperative activities*

European Environment Agency
