## Call for Workshops and Side Events

The organisers offer the possibility to arrange up to **four thematic workshops** within the framework of the Forum, which fit into the general theme of the conference (for more details about the theme, please visit the web-page). The workshops will be held in parallel to other sessions. The rooms with equipment and coffee break refreshments will be provided by the conference organisers.

It is also possible to apply for **the side events**. However, the conference organisers are not able to guarantee the free arrangement of rooms and refreshments.

If you are willing to arrange the workshop or the side event, please contact the conference organisers **before February 28, 2014**.
