

Education for Sustainable Development – Carpathian seminar proposal

Global Action Program of UNESCO

Continuation of the **UN Decade of Education for Sustainable Development 2005-2014** since 2015.

Overall goal is to generate and scale up action in all levels and areas of education

The **objectives** are:

1. To reorient education and learning so that everyone has the opportunity to acquire the competencies to contribute to sustainable development; and
2. To strengthen education and learning in all agendas, programmes and activities that promote sustainable development.
