6th Forum Carpathicum 2020 and other S4C activities - Updates from the Science for the Carpathians

K. Mázsa, P. Cudlín, C. Monteanu, D. Kaim, T. Mitrofanenko, J. Zawiejska, W. Keeton, K. Ostapowicz, L. Halada, E. Matei, I. Kruhlov

TENTH MEETING OF THE CARPATHIAN CONVENTION
IMPLEMENTATION COMMITTEE
11.12.2019 - 13.12.2019 - Budapest, Hungary

Science for Carpathians (S4C)

- connects scientists and practitioners in Carpathians
- defines research priorities for the region
- enhances international collaboration with partners from outside the Carpathians

S4C activities – Outline

- Forum Carpathicum conferences
- Participatory Side event
- Carpathian ESD Seminar follow-up workshop
- Messages to the CC COP 6
- Interdisciplinary Summer School for Young Scientists (2020-2021)
- Cooperation with the Scientific Network for the Caucasus Mountain Region (SNC-mt)
- S4C communication – carpathianscience.org

Forum Carpathicum conferences

2010 Kraków (Poland)

Integration of nature and society towards sustainability

2012 Stará Lesná (Slovakia)

From data to knowledge, from knowledge to action

2014 Lviv (Ukraine)

Local Responses to Global Challenges

Future of the Carpathians: Smart, Sustainable, Inclusive

2018 Eger (Hungary)

Adapting to Environmental and Social Risk in the Carpathian Mountain Region

2020 Brno (Czech Republic)

6th Forum Carpathicum

Linking science, policy, and practice for a sustainable future in the Carpathians

Date and Venue

22-26 June, 2020, Conference Centre of the Mendel University in Brno, Czech Republic

Organizer

doc. RNDr. **Pavel Cudlín**, CSc.

Global Change Research Institute CAS

Co-Organizers

- Mendel University in Brno
- Science for Carpathians (S4C) network members and their institutions

6th Forum Carpaticum - Preliminary Programme

22 nd June 2020	Participatory Side event
23 rd June 2020	Conference
24 th June 2020	Conference
25 th June 2020	Excursion, Gala dinner
26 th June 2020	Conference

<http://forumcarpaticum.czechglobe.cz/>

6th Forum Carpathicum - Timeframe

From

20th Dec. 2019

Opening registration and call for papers

7th March 2020

Abstract submission deadline

5th April 2020

Notification of abstract acceptance

19th April 2020

Early bird registration deadline

19th June 2020

Latest registration deadline

Participatory Side event

Introducing Forum Carpathicum

22/06/2020, Brno

The aim of the event is to establish links between S4C, local and regional authorities and various stakeholders

Target groups:

- representatives of local and regional management and environmental authorities, local NGOs, tourism entrepreneurs,
- representatives of successful Visegrad projects in environmental/sustainable development fields,
- CC representatives and members of working groups,
- practitioners

Carpathian ESD Seminar follow-up - workshop during FC 2020

The aim of the event is:

- to follow-up on the recommendations from the first Carpathian ESD Seminar, held in Hungary in April 2019.
- to discuss the potential TORs of a Working Group on ESD
- to elaborate plans towards the next ESD Seminar
- to discuss organization of the Carpathian teacher training

Target groups:

- ESD researchers and practitioners
- Teachers, students
- CC focal points

Messages to the CC COP 6

- After Forum Carpathicum 2020 processing will start of FC2020 conclusions, feedbacks from FC sessions and records of workshop and panel discussions.
- The aim is the preparation of messages to CC COP6 and to S4C Research Agenda.
- It will be focused to summary and extraction of important points and messages.

Interdisciplinary Summer School for Young Scientists (2020- 2021)

Target groups

- young and early career researchers and practitioners working in various fields in the Carpathians: education, biodiversity, tourism, geography, landscape planning, social sciences, etc.
- The outcome of the summer school will include: new interdisciplinary networks, and initiated steps towards interdisciplinary papers.

Planned venue: Poland or Romania (tbd)

Cooperation with the Scientific Network for the Caucasus Mountain Region (SNC-mt)

- Promoting each other's activities on the S4C and SNC-mt websites
- Promoting cooperation between Carpathian and Caucasus researchers
 - presentations from the Caucasus during Forum Carpathicum, and vice versa
- Discussing potential cooperation agreement/expression of interest
