Subject: Location of Permanent Secretariat - comparison of offers

Dear Colleagues and Friends,

As you are aware, the fourth meeting of the Carpathian Convention Implementation Committee, held in Vienna on 05-07 December 2012, requested the Secretariat to prepare a comparison of the Parties offers on the location of the Permanent Secretariat by 31 January 2013, using the draft of the selection criteria (Doc.3) considered by the Fourth CCIC Meeting, requested the offering Parties, upon receipt of the draft comparison from the Secretariat, to amend and complement the information related to their respective offers by 31 May 2013, invited Parties, which have not yet presented an offer, to submit, if interested, their offers, using the draft selection criteria, by 31 May 2013, encouraged Parties to limit their offers to one location per Party, and requested the Secretariat to finalize the comparison of the offers received and to distribute it to the Parties by 31 July 2013, for the consideration at the next meeting of the CCIC.

Consequently, please find attached a comparative table of the offers received on the location of the Permanent Secretariat of the Carpathian Convention:

(See attached file: 20130118_Location of the Carpathian Convention Permanent Secretariat_BB.doc)

The table has been filled in with the information included in the last version of the offers, which we had received before or at COP3.

We kindly ask you to integrate into the document (in track changes and/or comments) your possible additional information / offers and to send it back to us **before 31 May 2013**.

If you need further information or clarification, please contact me.

Thank you very much and have an excellent weekend.

Kind regards,

Harald Egerer
