

Role and contribution of the Carpathian Convention into the post-2020 process/ Memorandum of Cooperation between CBD, Alpine and the Carpathian Conventions in the light of the post-2020 GBF

Mountain Biodiversity 2002-2022: achievements and next challenges at global and regional level
16 September 2022, ONLINE MEETING

Klaudia Kuraś, UNEP Vienna Programme Office - Secretariat of the Carpathian Convention

Role and contribution of the Carpathian Convention to the post-2020 Global Biodiversity Framework process

Advocacy

Advocating for raising the importance of mountain biodiversity in the post-2020 GBF process and promoting the Carpathian Convention

Increasing the attention of the Carpathian stakeholders to the post-2020 GBF and the need for synergies between the processes

Mandate

- Carpathian Convention COP6 Decisions – chapter on the Post-2020 Global Biodiversity Framework

Empowerment

- Empowering the GBF process in the region
- CC as regional mechanism for the implementation of CBD and the GBF
- enhancing synergies among different biodiversity-related conventions
- streamlining and strengthening efforts for achieving the core objectives of both conventions

Commitment

- Carpathian Commitments for the implementation of the Post-2020 GBF
- Ministerial declaration on protecting the Carpathian biodiversity

Strengthening the cooperation for better protection of mountain biodiversity

Renewing the Memorandum of Cooperation between the CBD, the Alpine Convention and the Carpathian Convention

Cooperation with CBD

- In 2008, CBD –AC – CC Memorandum of Cooperation recognizing the relevance of cooperating towards the common goal of biodiversity conservation.
- Implementing the CBD Programme of Work on Mountain Biological Diversity
- AC and CC observer status to the CBD

Renewed MOC in the light of the post-2020 GBF

- exceptional opportunity for **enhancing synergies** and reinforcing the implementation of biodiversity-related conventions and processes to halt biodiversity loss and restore ecosystems
- initiating common activities for the implementation of this new framework;
- AC and CC play a substantial role in **translating** and supporting the **global biodiversity goals and targets at the regional level**
- example emphasizing the **importance of cooperation** to achieve the objectives of the post-2020 GBF, including through establishing or renewing cooperation frameworks.

OBJECTIVE

to enhance the **post-2020 GBF implementation in the Alps and the Carpathians**, and to strengthen **experience sharing with other mountain regions of the world**

Strengthening the cooperation for better protection of mountain biodiversity

Renewing the Memorandum of Cooperation between the CBD, the Alpine Convention and the Carpathian Convention

AREAS OF COOPERATION

- exchange of information and experience
- communication and awareness-raising
- initiate further joint activities, with special reference to the post-2020 GBF and the CBD Programme of Work on Mountain Biological Diversity
- cooperate to promote active participation of all the relevant stakeholders
- jointly promote mainstreaming biodiversity into all sectors
- cooperate in fundraising for mountain-to-mountain partnership programmes

PRIORITY THEMATIC FIELDS:

- enhancement or restoration of ecological connectivity,
- strengthening networks of protected areas,
- sustainable management and protection of large carnivores,
- support to and promotion of ecosystem restoration,
- improvement of species conservation and management of invasive species;
- Protection of wilderness areas, old growth forests and other vulnerable mountain zones,
- Support to the conservation of network of water bodies and wetlands;
- promoting environmentally friendly agriculture and food chains;
- strengthening of synergies between biodiversity conservation and climate change mitigation and adaptation
- promotion of the role of mountain ecosystems in providing crucial ecosystem services;
- harmonisation of reporting, targets and indicators.

Strengthening the cooperation for better protection of mountain biodiversity

Renewing the Memorandum of Cooperation between the CBD, the Alpine Convention and the Carpathian Convention

UPDATES AND NEXT STEPS

Consultation process finalized

- Text of the MoC approved by all Parties involved

Signing in progress

- Signing the new MoC possibly at the CC COP7, 11-13 October 2023, Belgrade, Serbia

Implementation to start ASAP

- Need for consultation on the priority actions implementing the MoC
- Bringing the MoC provision to life by projects on the ground
- Important role of various stakeholders

Thank you for your
attention!
