2017. évre várható EIP-AGRI fókusz csoport témák

Az Európai Vidéki Hálózatok 2016. december 1-jei éves közgyűlésén értékelték az ENRD és EIP-AGRI hálózatok működését 2016-ban elért teljesítményt és szerzett tapasztalatokat, illetve felvázolták a jövő évi terveket. Ennek keretében többek között szó esett a jövő évi EIP-AGRI fókusz csoport témákról is.

Where we are *now* and *next steps*?

- The call for application is closed in May 2018!
 - The **selection procedure** is still ongoing.
 - Expecting number of supported OGs: **73**

Our tasks:

- Building **database** (EIP AGRI website)
 - **Connect the OGs** to similar foreign OGs (esp. In the Carpathian Basin)
 - Connect potential stakeholders
-

What are the expectations?

Raising awareness among stakeholders!!!!

open to the practice oriented
research needs

open to innovative solutions and long-
term competitiveness

Farmers
Forest managers
Food processors

Researchers
