What have we done?

Strong communication campaign – in order to inform the agricultural stakeholders

- Two workshops for researchers and for practitioners
- 30 information events (organised by Chamber)
- 80 farmers’ request
- 52 personal consultation
- 6 information articles

Thousands of farmers have been informed!
What are we *doing*?

- **Personal consultation** with the agricultural stakeholders about the scope of EIP;
- **Website** operation;
- **EIP-AGRI bulletines** translation;
- Organization of **events**;
- **Connecting** potential partners — farmers with researchers;
- **Discovering** innovative ideas;
- **Mapping** the needs.
Projekt searching

Partner searching

Innovation brokering
Where we are *now* and *next steps*?

The call for application is closed in May 2018!

- The **selection procedure** is still ongoing.
- Expecting number of supported OGs: 73

Our tasks:

- Building **database** (EIP AGRI website)
- **Connect the OGs** to similar foreign OGs (esp. In the Carpathian Basin)
- Connect potential stakeholders
What are the expectations?

Raising awareness among stakeholders!!!!!

Farmers
Forest managers
Food processors

Researchers

open to the practice oriented research needs

open to innovative solutions and long-term competitiveness
Thank you for your attention!
