SAP relevance with TRANSGREEN activities

Mid-term conference

"Sustainable Transportation Planning in the Carpathians. Latest developments and steps forward"

- 5-6 September 2018, Bratislava – further discussion included WG's about priorities/main goals of SAP according the preliminary draft.

2nd Transport WG meeting

- Spring 2019, final input and comments to prepare final draft

Final conference

- Mid-June 2019, most likely in the frame of the Romanian EU presidency

COP6 in Poland

- Autumn 2020, Poland - the Strategic Action Plan as the strategic guidance document for transport will be adopted at COP6 in 2020.

Project co-funded by the European Regional Development Fund (ERDF).
