The Carpathian Brand as a driving force behind the implementation of the Strategy for the development of sustainable tourism in the Carpathians

Aggtelek, 18 - 19.05.2015
Why The Carpathian Brand is so important?

• Carpathian Brand CARPATHIA is an activity that can and should unite entities operating in the tourism sector in the Carpathians in order to implement the vision of the Strategy development of sustainable tourism in the Carpathians
• The actions to be taken for the implementation of the Carpathia Brand coincide with the many activities recorded in the Strategy
• Examples of such activities may be to create in a system of certification, creating a system of labeling, marking for the entire Carpathian region, for example. "Local food", „Local accommodation base", "local expertise" - as tourists round, to develop methods for the conservation of heritage of the Carpathians" creating brand "
• The entities that will join in the implementation of the brand will be de facto guardians of the natural and cultural heritage of the Carpathians
• The confirmation of the above statements is functioning of the Alpine Brand.
