

**Carpathian Convention WGs Joint Meeting – Kluszkowce**

Conservation and Sustainable Use of Biological and Landscape Diversity

Spatial Development

# **SPATIAL PLANNING VS. SPATIAL DEVELOPMENT**

23 October 2014

dr Maciej Borsa – TUP, SGH

definition / understanding

2

**development**

definition / understanding

3

**spatial development**

definition / understanding

4

**spatial planning**

# definition / understanding

5

## **spatial planning**

- analytic tools: monitoring, forecasting
- implementation tools: legal (local law)

definition / understanding

6

**spatial management**

definition / understanding

7

**spatial governance**

definition / understanding

8

**spatial policy**

# definition / understanding

9

**spatial policies** (multilevel)

# definition / understanding

10

## **public policies**

- formulation (democracy)
- implementation (tools)

# ideas: convincing

11

## smart public policies

- formulation /ideas /goals (convincing)
- implementation (tools – effective: cost vs result)

# ideas: convincing

12

## smart public policies

- **evidence based** policies
- **place based** policies (territorialisation)

# tools: effective

13

# tools:

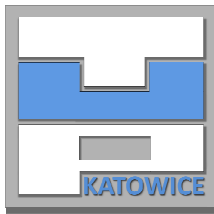

14

- law and organisation
- banning/dictate
- direct investments
